

## #EUHPP LIVE WEBINAR

### Biosimilars policies and (best) practices - Evidence from the AUGMENT Biosimilars study

19 FEBRUARY 2026, 11.00 – 12.00 CET, BRUSSELS TIME

Dear colleague,

We invite you to join this #EUHPP Live Webinar co-organised with the AUGMENT Biosimilars Consortium.

This webinar will present evidence on **biosimilars policies and practices** from **32 European countries**, based on a study conducted during the first year of the EU4Health project “Capacity building to support the uptake of biosimilars in a multistakeholder approach” (AUGMENT Biosimilars).

While the study’s key findings were previously presented at the Biosimilar Multistakeholder Event organised by the European Commission, this webinar will explore the results in greater detail, with a particular focus on **best practices** and **novel policy approaches** to further **enhance the uptake of biosimilars**.
